Contacting the School:

The school's office is open from 8:00 a.m. – 4:00 p.m. Monday – Friday during the school year. You can reach the school secretary at **237-4936**. If for some reason the secretary is unable to take your call, please leave a message. The school's message manager is checked on a regular basis.

Morning Drop-off

Students, who arrive at school before the 8:00 a.m. supervision time, must wait outside the school unless they are enrolled in our Before School Program. Students must line up at a designated place in the parking lot. At the sound of the bell, the supervisors will direct the students into the building. Parents: please do not drop off students in the back lane. Use the school's parking lot or Braemar Avenue. Please refer to our Before and After School Program (ABOUT Menu Bar on our HCS Web Site) for more specific details regarding the Early Morning Drop-Off and After School Dismissal Program.

Recess

All Kindergarten to Grade 5 students will have recess three times each day – morning, lunch, and afternoon. Grade six, seven, and eight students will have a fifteen minute recess in the morning and a twenty minute recess at lunch. Students will go outside for recess each day unless the weather is inclement. Play areas are organized in the field and play structure area of the Champlain Community Centre. Supervisors will monitor students during each recess break.

Cafeteria Routine

Holy Cross School is proud to provide all students with a large cafeteria for eating lunch. **Crunchtime** personnel provide hot meals. A monthly menu is distributed for families. Alternating Thursdays, volunteers of the Parents Guild sell slices of pizza and milk or juice.

All students are expected to eat lunch in the cafeteria unless families have given written notification that their son/daughter is permitted to leave the school premises.

If at any time a cafeteria supervisor considers that students are behaving in an unacceptable or unsafe manner, the supervisor may assign consequences as outlined in the school's Code of Conduct.

After School Dismissal

Holy Cross School provides afterschool supervision only from 3:00 – 3:30 pm for students outside the school building. Thus all students with the exception of those enrolled in the Before & After School Program or in a school sponsored extra-curricular activity must leave school property. It is the responsibility of families to make suitable arrangements for student pick up after school ends each day. Any student on school property at 3:30 p.m. will be sent to the After School Program and families will be required to pay the \$5.00 fee. Some other arrangements may be made with our Principal if a student has a sibling at St. Boniface Diocesan High School.

Daily Attendance

Student attendance is an important requirement for academic success and thus attendance is recorded on a daily basis.

Full Day(s) Absence from School

When sickness or serious obligations of the family necessitate one or more days of absence from school **families must call the school office before 9:00 a.m. stating the reason for the absence. (Student phone calls are not acceptable.)**

When a student is absent and a phone call has not been received to explain the absence, the school office personnel will contact the parent(s)/caregiver(s) to determine the reason for the student's absence.

Absence for a Portion of the School Day

Written communication is required from a parent/caregiver for a student to be excused from class for a particular reason; for example, a dental or doctor appointment. **When a student comes to school with a note asking that he/she be excused from class for a particular reason, the student must be picked up at the school office and he/she must sign out in the school attendance log at the general office. If the student returns to school in the same school day, he/she must sign the attendance log in the office.**

Extended Absences from School

There are times when families cannot arrange family vacations during the summer or during breaks in the school year. On such occasions families are expected to provide the school with written notice of the length of the vacation or absence from school. Arrangements must be made for homework to be assigned during the absence.

Student Tardiness

Students who arrive after the Homeroom Session (8:40 & 12:20) are considered late and will be expected to report immediately to the office for sign in. Chronic tardiness will be communicated to the parent(s)/caregiver(s).

Illness during the School Day

Any illness or injury occurring during school hours will be reported to the office. Parent(s)/caregiver(s) will be called and may be requested to pick up the student. Students must sign out in the

attendance log book. Students in grade seven and eight must inform the staff member who has the daily class attendance book. Older students who live only a short distance from school may walk home after the parent/caregiver and teacher are informed. No student will be sent home without parent(s)/caregiver(s) first being contacted. If emergency treatment is required, school personnel will follow emergency medical protocol in sending the student to the hospital. An accident report will be completed and kept in a school file.

School Closure (Emergency, water main break or inclement weather)

In the event of school closure, announcements will be made on radio stations CJOB or Q94. As a rule, Holy Cross School will be closed if the Winnipeg School Division closes its schools due to dangerous weather conditions. Track Meet cancellations will be communicated to families through the above-mentioned stations.

Change of Address and/or Telephone Number

Parent(s)/caregiver(s) must notify the office of any change of address or telephone number. Information is to be provided immediately for purposes of routine communication and for use in the event of an emergency.

Telephone Usage

The school's telephones are for school business and thus students are called to the phone only in emergency. Messages should be given to the secretary to convey to the student.

Students who wish to use the telephone must have a permission slip issued by a teacher. Upon entering the office, this slip will be submitted to the secretary before the student uses the telephone. Telephone messages to teachers will be delivered at appropriate breaks in the school day so as not to disrupt a class.

Cell phones are not to be used in classes. Any visible cell phone will be taken by the teacher or educational assistant and turned in at the office. Cell phones with a mosquito ring tone will not be returned to the student without parental involvement. Cameras and camera cell phones are not allowed in the school or on the playground.

A five dollar caution fee will be assigned from the classroom fees for the lock.

Holy Cross School provides textbooks to all students. The student is responsible for the care of the books used. Loss or destruction of these books will result in payment to the school.

Acceptable and Unacceptable Winter Activities

Ice Skating

During the winter months students may utilize the ice rinks provided by the Champlain Community Centre. The requirement is that students must be wearing an appropriately fitted helmet and ice skates. Parent(s) caregiver(s) are asked to note that supervisors do not take responsibility for putting skates on students.

Snowball Throwing and Sliding on the Snow Hills

During the winter months students will continue to go outside for physical activity during the assigned recesses. Activity during these months is not permitted to include snowball throwing or sliding down the mounds of snow that develop in the field area. Student safety in all school related activities is of paramount importance at Holy Cross School. Involvement in these two activities can easily result in serious injury to others or to self.

Consequences for students who choose to participate in these activities are stated in the school's Code of Conduct.

Lost & Found

Throughout the school year a large number of items gather in the lost and found box. We encourage families to check this box (located by the grade five room) on a regular basis to find items that students may have misplaced. Please write your child's name in all articles that she/he may bring to school.

Monthly Newsletters/News Bulletins

Each month the school will issue a newsletter to all families. The newsletter will contain valuable information about the academic programs at each grade level, administrative information, news from the School Board and the Parents Guild. We ask all families to take time to read the newsletter and highlight items that are of importance. Included with the monthly newsletter will be a monthly calendar of events. We ask that families post the calendar in a prominent place for easy referral. The **Crunchtime** personnel will also provide a monthly menu. Throughout the month, the school will need to communicate with families about additions or deletions to the regular newsletter.. At such times a News Bulletin will be sent. Again we ask that families read the information provided.

Yearly Calendar of Events

This calendar of events is listed at the end of the agenda. We ask families to note that this is **a general guide** of dates to remember. There will be times when adjustments will need to be made for varying reasons. Such changes to the calendar will be communicated through the Newsletters and News Bulletins.

Parent Concerns

At Holy Cross School we encourage parent(s)/caregivers to have open communication with classroom teachers and the school administration. If for any reason, you wish to contact school personnel, please telephone the school office. A message will be left for the teacher to call back to discuss the issue over the telephone or make arrangements for a meeting.

If parent(s)/caregiver(s) wish to speak to the school's administration please contact the school office. The secretary will either put you through immediately or leave a message for the administration to return your call. All calls from parents and caregivers are returned promptly.

ACADEMIC INFORMATION

Curriculum

Holy Cross School offers the prescribed academic program as outlined by Manitoba Education, Citizenship and Youth. The subject time allotments meet government requirements. In addition, Holy Cross School offers a Religious Education program to students at all grade levels. The curriculum areas are as follows:

- English Language Arts
- Mathematics
- Science
- Social Studies
- French
- Physical Education/Health
- Fine Arts (Music & Art)
- Religious Education

Students in Grade 7 & Grade 8 participate in an Industrial Arts program at Nelson McIntyre Collegiate. Students do courses in woodworking, electronics, foods and sewing throughout the school year. Grade 5 – Grade 8 students participate in a Fine Arts program. This involves two 40-minute sessions each cycle. Extra curricular

activities are offered in music (piano, guitar, voice and rock band), and art.

Homework

Homework is assigned to reinforce basic skills, pursue individual talents and interests, supplement classroom experiences, and to develop independence and responsibility. Class work is assigned during the day, and if not completed during the school hours, that work constitutes homework. The amount of time spent doing homework will vary according to grade level and capabilities of the student. Homework helps parent(s)/caregiver(s) keep abreast of the school's program and their child's progress. Students should spend time reviewing the days work, recopying assignments, adding/enriching answers, researching topics of interest, and doing recreational reading.

It is important that parents monitor homework as it is expected that homework be completed each day. One consequence for incomplete homework will be that the student will be sent home to complete the work and may be assigned a detention until he/she learns to complete the assigned homework without the principal's supervision.

If a student is absent from school for any reason, it is the student(s)/family's responsibility to make arrangements to collect homework materials and textbooks. If homework materials are to be picked up, it is important that teachers are informed early in the school day so that required information is placed in the office by the end of the school day.

Pupil Evaluation

Assessing student progress in achieving the learning outcomes in each subject is a continuous process. Assessment information includes pencil and paper tasks, journal writing, individual and group projects, oral presentations, quizzes, tests, and portfolios. This information is used to make evaluative decisions throughout the school year.

Reporting Process

Formal report cards will be prepared and distributed throughout each school year for all students. Generally the reporting periods are as follows:

- First Term Reports – Late November
Conferences in December—for all students
- Second Term Reports – Mid-March Gr. 5 – Gr. 8
Conferences in March—for all students
- Third Term Reports – Late June

Parent-Student-Teacher Conferences

Parent-Student-Teacher Conferences are held for all students at the end of the first and second term. During the conference, the student will present a portfolio of work samples and the student will identify an area for personal growth. In some classes teachers may send the portfolio home for the parents to have a more detailed look at the child's work. The focus for the parent(s) and the teacher is to offer ideas that will support the student in achieving the identified goal.

STUDENT COUNCIL

Holy Cross School organizes student council for students in Grade 6 – Grade 8 to support the development of strong leadership skills. A teacher coordinator supports the council through meetings and decisions related to the organization of special activities for all students. K-8 students and teachers will be divided into six houses with everyone mixed together (not grouped by grade).

Houses will be named after saints.

The last Friday of the month (am not pm to avoid IA conflict) there will be a House Day Assembly.

House Day Assemblies are celebrations, competitions or other activities where houses work together to achieve a common goal and recognize successes planned by the Gr. 7&8 students of a house.

Each house plans one or two months with each month themed according to the virtues project.

Varsity Sports Program

The senior students are encouraged to tryout for the various varsity teams throughout the school year. The teams are for boys and girls. The focus is on volleyball in the fall, basketball in the winter, badminton and track and field in the spring. School teams compete in the Manitoba Catholic Schools Athletic Association program. Developmental teams may be formed if there are enough students willing to participate.

School Patrol

As part of the School Safety Patrol Program conducted by the Winnipeg Police Department, students in Grades 5 and 6 have an opportunity to serve their school community by acting as crossing guards at intersections near the school from 8:15 a.m. to 8:25 a.m. and 3:00 p.m. to 3:15 p.m. daily. Students wishing to be patrols must first fill out an application form (parent signature required). The staff member in charge of patrols will then take responsibility for their training and supervision. All students are expected to obey the directions of the crossing guards.

As an independent Catholic school, Holy Cross School has a strong tradition of supporting all members of the school community.

Students strengthen their commitment to their Catholic faith through a variety of faith filled experiences.

School Liturgies

Each school year begins with the school community gathering at Holy Cross Parish Church to celebrate the Feast of the Holy Cross. Throughout the year we gather to celebrate Thanksgiving, Remembrance Day, the Season of Advent, the Season of Christmas, Ash Wednesday, Good Friday and the end of the school year. These celebrations vary from a Eucharistic Liturgy to a Liturgy of the Word.

Catholic School Week

This is a special week highlighting the importance of Catholic education. The school organizes special activities focusing on community building and faith formation.
