April 27<sup>th</sup>, 2021

**RE: COMMUNITY LETTER FOR POSITIVE COVID-19 CASES IN OUR SCHOOL**

Four members of our school community have informed us that they have tested positive for COVID-19; at this time 17 other members have been identified as close (high risk) contacts. Public health officials have not yet completed their case investigation. An internal investigation has been conducted based on public health protocols for notification of cases in schools. All of the individuals identified as close contacts have been contacted and advised to self-isolate along with their household members.

If you have not received separate direction from the school or a public health official, we do not believe you/your child are a contact and nothing further is required at this time.

**Out of an abundance of care and concern, the whole school (Grades Kindergarten to Grade 8) will remain on remote learning until Friday, May 7<sup>th</sup>, 2021 with all students returning to school on Monday, May 10<sup>th</sup>, 2021. Pre-Kindergarten will remain closed, re-opening on Monday, May 10<sup>th</sup>, 2021.**

**\*\*Note: the school will only remain open for students in grades K-6 for children of critical service workers\*\***

Please note: We are not permitted to release the name or any identifying information about a self-identified or confirmed case of COVID-19 to any member of the school, community, or media.

We continue to work with public health officials and will provide more information as it becomes available.

For more public health information about COVID-19, please visit <https://manitoba.ca/covid19/updates/resources.html>.

Sincerely,

Alexander Cap  
Principal
