

Holy Cross School: The Week Ahead Oct November 11<sup>th</sup>- November 15<sup>th</sup>

Mrs. Walker and Mr. Bourquin would like to thank you again, our Holy Cross Families, for your understanding and flexibility in allowing us to deal with the Tuesday situation safely and respectfully while you kept your children at home. We understand the challenge this may have been for many of you, but your continued support of this school is appreciated and does not go unnoticed. Thank you.

An updated AM and PM pick-up/drop-off plan will be released sometime next week. Please check the website and weekly update for more information.
